The Story of

LIWAGU RESTAURANT & BAANG LIWAGU

Nestled in the heart of lush forested landscapes near Mount Kinabalu, Liwagu Restaurant draws its name from the majestic Liwagu River, a natural river flowing from the southern slopes of the mountain. The Kadazandusun people, who call the river Baang Liwagu, have long admired its serene beauty and life-giving waters. This river, surrounded by both primary and secondary forests, enriches the area's vibrant ecosystem, inspiring the culinary philosophy of Liwagu Restaurant.

At Liwagu, guests experience a harmony of flavors that reflect the river's journey through the wilderness. The menu is a celebration of Sabah's culinary diversity, offering a mix of traditional dishes and modern interpretations that highlight the best of local and international influences. Our chefs are committed to respecting traditional methods while infusing each dish with a fresh perspective, making every meal at Liwagu as unique as the river itself.

Every dish at Liwagu Restaurant, from fresh seafood to light local fare, balances Sabah's authentic flavors with a modern touch, creating a tranquil, memorable dining experience.

At Liwagu, it's about more than just a meal; it's a journey into the heart of Sabah's rich heritage, offering a unique blend of tradition and contemporary comfort in a setting inspired by nature's elegance.
